

DATE	TIME	FOCUS	TOPIC
Tuesday, 3rd Nov	8:30 - 10:00am	Parent Session	Starting Strong: School Readiness & Daily Routines This introductory parent session will provide an overview of the Get Ready for Big School Programme, exploring what school readiness really means and how families can support children in building emotional confidence, independence, social skills, and positive daily routines, while children are welcome to join and enjoy a dedicated play area with engaging activities.
Tuesday, 10th Nov	8:30 - 10:00am	Child Play	Sensory & Fine Motor Lab: Pre-Writing Foundations Children will enjoy a fun and engaging play session filled with sensory exploration and “funky finger” activities designed to strengthen fine motor skills, develop hand-eye coordination, and build the foundations for early writing. Through hands-on play, young learners will explore, create, and grow in confidence while developing the skills they need for a successful start to school.
Tuesday, 17th Nov	8:30 - 10:00am	Parent Session	Healthy Routines Join us for this parent session to explore how healthy routines support children's wellbeing, independence, and learning. We'll discuss the importance of sleep, nutrition, and consistent daily habits in helping children feel secure, confident, and ready to thrive as they begin their Early Years journey. Meanwhile, your child is welcome to join us in a dedicated play area with fun, engaging activities.
Tuesday, 24th Nov	8:30 - 10:00am	Child Play	Eco Edventure: School Garden: Seeds, Soil & Care Join us for a fun, hands-on adventure in our school's Eco Edventure area! Children will enjoy planting seeds, exploring nature, and learning how things grow through playful, muddy fun. There will also be the opportunity to splash and play in our water stream, making this a memorable outdoor learning experience.
Tuesday, 1st Dec	8:30 - 10:00am	Parent Session	Language & Early Literacy at Home In this parent session, we will explore how everyday interactions can support language development and early literacy. From building vocabulary through conversation to sharing stories and reading together, you'll discover practical ways to nurture a love of language and help prepare your child for success in school. Meanwhile, your child is welcome to join us in a dedicated play area with fun, engaging activities.
Tuesday, 8th Dec	8:30 - 10:00am	Child Play	Big Moves: Gross Motor & Outdoor Safety In this parent session, we will explore how gross motor development and active outdoor play help build the strong physical foundations children need for school readiness. You'll learn how movement, balance, coordination, and growing independence support confidence, wellbeing, and learning, along with practical ways to encourage these skills safely at home. Meanwhile, your child is welcome to join us in a dedicated play area with fun, engaging activities.
